# Comments

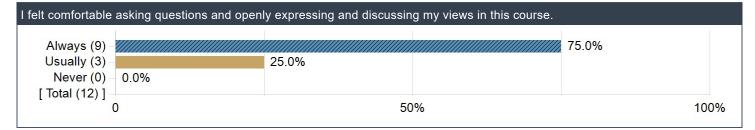

Joonho cares about what he teaches and he also cares about his students. Throughout the semester, he demonstrated great effort to give his students the best experiences possible in his class.

Joohno lee is top 5 favorite staff members at the U

Joonho is a freaking awesome professor. Not only is he a great at teaching but he's a great guy to have around. I always felt like I could ask questions and get his opinion on my papers. He was very fair with his expectations and was helpful when needed. I couldn't say enough nice things about him.

# **Asking Questions and Discussing Views**

#### I felt comfortable asking questions and openly expressing and discussing my views in this course.

#### Comments

I like how you understood a majority of people were taking this class for a gen ed and didn't put too much pressure on us to understand some of the more complex ideas in our course content.

Thank you for a great semester!

Excellent professor

You rock!

I really enjoyed how passionate Joonho was in making sure the students were understanding the material. I made me much more interested in philosophy than i had originally thought.
